Riverdale: the new destination?

InToTheBox.TV, a Web site featuring short videos on New York City neighborhoods, has trained its camera lens on Riverdale. Featured are a young couple who moved from Manhattan into what appears to be a spacious Riverdale co-op and Shmuel Jonas, the developer behind the Riverstone Apartments on Arlington Avenue.

While Riverdale was once a well-kept secret, the show's host remarks, trendy new developments, cultural attractions and green features have made it the new hot destination for Manhattanites. Watch the [video](#).
