## When you Gotta Go - At Home

Roosevelt Islanders have been concerned with the lack of [public restrooms](#) on the Island. Here is a story from a new video real estate blogger, [IntoTheBox.TV](#), about luxury private commodes, not toilets but commodes. Roosevelt Islanders are not asking for anything as luxurious as commode for a public restroom - but still it might become a tourist attraction itself!

Via [NY Sun](#) and New York Observer [The Real Estate](#).
