## IntoTheBox.TV - All About New York City Real Estate With a Twist

September 26th, 2007 | Real Estate

---

I was just emailed about a new site, [IntoTheBox.tv](http://IntoTheBox.tv), that was actually enjoyable to watch. The video they have up today features Rachel Natalie Klein who gave a perky description of what constitutes a New York apartment versus a New York Crack Den.

It is fun to learn something new each day... 😊
